

UPPER FRENCH RIVER COTTAGERS ASSOCIATION FRENCH RIVER PROVINCIAL PARK ADOPTED CAMPSITES

Campsites within the Park are numbered, and maps dated after 2006 show the numbering system. All campsites on the Upper French are in the 100 series. In other regions of the river, campsites are numbered in the 200s, 300s, etc.

French River Provincial Park is a “regulated” park and users of campsites must have an interior permit if they are camping overnight.

Note that campsites designated as “shore lunch sites” are marked with a small red circle, while overnight campsites are marked with a numbered red triangle. Those who have adopted a lunch campsite will see their site listed below as *LUNCH.

Thank you for adopting a campsite.
